

Solway Firth Partnership Website Scavenger Hunt

Have a hunt through the Solway Firth Partnership website to find the answers to the following clues.

1. There is an interesting flower on the front of the spring/summer edition of Tidelines, but what is the creature hiding in the middle of the flower?
2. On the SFP website what does SMILE stand for?
3. How many wind turbines are there in the Robin Rigg Wind Farm?
4. What type of fish can you catch by 'tramping'?
5. Where can you still see evidence of WW2 flying boat slipways on the D&G coast?
6. What type of creature is a 'smelt'?
7. On the Invasive Non-Native Species page, what invader is on the video?
8. How much marine litter ends up in the world's oceans each year?
9. On the Solway Coastwise page, what does the Gaelic *inis sionnach* mean?
10. Which SFP Project is supported by the Galloway Glens Partnership Landscape Scheme?
