

NOTICE TO MARINERS

Please be advised of this notice advising mariners for the diving interventions on the Isle of Man Subsea Tee. The vessel Noordhoek Pathfinder will be conducting the diving operations on location while on DP2 (on fixed location with limited manoeuvrability).

The work will commence earliest on the **25th of September** and is scheduled to last **2 weeks** subject to weather and additional scopes.

Operations

The Noordhoek Pathfinder will work on a **24-hour basis**. During the diving operations vessel will be displaying the relevant IRPCS day shapes and night lights and will be monitoring VHF Channels 16 and 12 and have a pro-active attitude monitoring the surroundings

Due to diver operations being operated from the vessel we kindly ask that all vessels in the local vicinity observe a **1000m stand-off** at all times.
